MESSAGE FROM CHAIRMAN ROB ANDERSON,

DEAR STATE DELEGATE,

Before attending the 2018 UTGOP Nominating Convention, please take a few minutes to review the attached convention packet so that you're prepared for a full-day of events!

Registration begins at 7AM. Multi-county races will begin at 8AM. (See page 4 for specific details.) The general convention will convene promptly at 11AM. Once the final credentials report is adopted by the convention body, registration will be closed. Please arrive early. We will be using your **driver's license** for electronic registration. If you do not have a driver's license, a government-issued **photo ID** will still be required and you will need to proceed directly to the Help Desk.

Parking at The Maverik Center is **NOT** free. West Valley City will collect **\$10 per vehicle** in the main parking lot AND in the overflow facility parking lot. We apologize for this inconvenience. We encourage you to carpool if possible. Also, if you require handicapped parking, there are 32 parking stalls located in the main parking lot - the \$10/car fee still applies. Wheelchair access to the building is located by the "Will Call" office. There are signs in the parking lot to direct you to the west-side of the main entrance, ground level.

Arrive Early! There will be candidate booths, as well as vendor booths in the convention hall. This is a great time to have a final opportunity to meet with candidates prior to balloting, as well as mingle with other delegates, elected officials and Republicans from throughout the state!

While we are doing everything possible to make Convention run smoothly and efficiently, please plan to stay for its entirety. Our goal is to have 100% of the delegates voting in all races, and on the submitted Constitution and Bylaw changes. **Try not to leave until the convention has officially adjourned.**

Please remember to dress comfortably, and to wear sensible shoes as all of the seating will be stadium seating. Food will be available for purchase from the concession stands. A guest information booth will be located on the main corridor, which is up the stairs from the main entrance. (There will be signage to guide you along your way.)

I look forward to seeing you at the Maverik Center, in West Valley City, on Saturday April 21st for what promises to be a very exciting Utah Republican Party Nominating Convention.

Sincerely,

Rob Anderson, Chairman

Utah Republican Party
